## Dear Members

Well it is hard to believe that summer is coming to an end. The kids are back in school and football is just around the corner. We had a great summer here at OCC. Rounds of golf by the members are up from this time last year. We are grateful that our members are out enjoying our course and we hope that you continue to come out and play some golf.

Plans for the member/guest tournament on September 16th & 17th are underway. Our goal is to have 30 members invite a guest for this to be a success. Additional information is available by contacting the Pro Shop.

Brandon and his staff work extremely hard to provide a golf course of which you can be proud. Our Saturday afternoon shoot-outs and couples golf have been very exciting and competitive. We hope to use the momentum from the summer to carry us into a great fall season.

Angeleek and her staff have been busy this summer as well. They continue to impress everyone with their creative ideas and delicious food. The Wednesday night buffet and card drawing continues to bring excitement to the restaurant. Please continue to make your reservations and come out to enjoy your restaurant.

We will continue to work hard to make Okefenokee Country Club a place that you are proud to call home.

### **Member-Guest Tournament**

**September 16-17**

**Attention all members:**

**We are hopeful to have a member-guest tournament this year, yet it will not be possible without the help of our members. We need a minimum of 30 members to commit to finding a non-member to play with them in this tournament. We have not had an event like this at our club in years: this is the year to make it happen. Events like these are truly great opportunities to showcase our wonderful club. If you are able to commit to playing, please call the pro-shop and sign up.**
