Greetings from
Turf care

February is setting up to be a busy month for the golf course maintenance staff. We will be tackling a much needed drainage project on #7, as well as starting an aggressive cultural and fertility program to jump start the grow in process on greens #13 - #18. The program should not interfere with play. Thank you for your patience and support as we thrive to make Okefenokee Country Club the best it can be.

Well, there was no big New Year's Eve party to report on, as is traditionally done this time of year, **but** February is here AND activity at the club will be picking up as sunlight time increases daily.

Golfers, the Annual Super Bowl Scramble is planned for Sunday, February 7th, at 1 PM. The Pro Shop has additional information.

Following the Super Bowl Scramble is our Annual Chili Cook Off and hotdog buffet. Dig out your favorite recipe and bring your pot to the lounge by 5 pm to be entered into the contest. This has been a very tight race in years past. Who will win the bragging rights this year?

It is Valentine's Day month. Featured is a Valentine special on the weekend of February 12th and 13th. The menu and details may be found in this newsletter. This is a reservation only event, please call the lounge 912-283-7400 ext 2 to save your table.

Weekend golf play is on the upswing, so please continue *to make tee times*. Golfers may ride together now; by sharing a cart, everyone should have access to one on busy days.

Please know the staff here pledges to continue its vigilance regarding the health and safety of you, your guests and ourselves as we creep out of this national health crisis.

Thank- you for continuing to support the Okefenokee Country Club.
