Pierce Co High Area Tournament	04/27
COURSE CLOSED	

Dear Members

Hello OCC! The arrival of spring has blessed us with some great weather and has provided many opportunities for our beautiful facilities to be used.

Our tennis court area is being renovated and upon completion will have a basketball court, two tennis courts, and two pickle ball courts. This project should be wrapping up soon.

Pool season is also nearing, and we want to remind you that the pool is for members only. Any guest must be accompanied by a member.

Renovations on the course are looking better and better by the day. Stephen and his crew, along with many other helping hands, have worked extremely hard and have done a great job laying several truckloads of sod. There will be more landscaping in the near future. We want to say thank you to MGA for their donation to the renovation project and thank you to all other members that donated. Your contributions did not go unnoticed! As we continue these course improvements, please continue to use the cart paths, and observe the roped off areas on the course.

Spring Four Ball plans are in the works! This year, the dates for the contest will be Saturday, June 5th and Sunday, June 6th. The dates for the Okefenokee Invitational are September 10th, 11th, and 12th.

We ask that you please schedule a tee time on the weekends, as we have had a lot of activity on the course during these times.

Also, on Friday, April 2nd, at 7:00 PM, MGA will be hosting the annual oyster roast. Tickets can be purchased from an MGA member or from the Pro Shop. For more information on these major events, contact the Pro Shop. Thank you all for your continued support!

From the Superintendent

April is going to be a busy month for us. The sod project is finished! We are in phase 4 which is bringing in the landscape to holes 2,4,9,14,15,17, and 18.

We have also seeded rough areas that come into play with blackjack Bermuda grass seed. Please try to stay on the cart path where possible. #1 fairway 150 yards in is the best fairway grass on the course and one of the leading factors in why it is so healthy is little to no cart traffic, So that being said please keep the cart on the path where possible. Thank you for all your patience and support.
Stephen Stokes

TREAT THE WHOLE FAMILY TO OUR FABULOUS
